The background of the slide is a photograph of a modern, multi-story government building with a white facade and large glass windows. The building has a prominent entrance with columns. The text "PROVINCIA TI" and "NUEVA VIZCAYA" is visible on the building's facade. The image is slightly faded to allow the text to be read clearly.

The PDF is regarded a one of the catalysts for provincial development. The fund contributed significantly in increasing the capability of the Provincial Government to introduce and sustain MORE developmental projects that are innovative, responsive, & people centered.
